

Email Hosting

Hosted Email - *Managed by Email Specialists*

Our service is a premium hosted email platform that provides your business with powerful, secure, and reliable email – with absolutely no maintenance on your end.

Along with webmail, mobile email, shared calendaring, and a host of other features, you'll also enjoy premium protection against spam, viruses, and other security threats. Best of all, our solution allows you access to email from Outlook, Webmail, and even wireless devices including: Blackberry, iPhones, and Windows Mobile Smartphones.

With VBL's hosted email there's...

- NO MORE worrying about email going down
- NO MORE finger pointing
- NO MORE slow email
- NO MORE fighting spam
- NO MORE troubleshooting
- NO MORE unexpected support charges
- NO MORE struggling to setup Smartphones
